

# 2012 CNU CASCADIA REGIONAL SUMMIT

TOOLS AND PRACTICES TO ACHIEVE SUSTAINABLE PLACEMAKING

## ENVISIONING RESILIENT COMMUNITIES MARCH 15-17: SEATTLE, WA

CNU Cascadia invites you to our annual regional Summit - the premier venue for cross-disciplinary conversations that inform development, policy, and design of communities in the Pacific Northwest. This year our summit will explore the question "What does a sustainable, diverse, resilient community look like?"
