

A Vision for England's Future

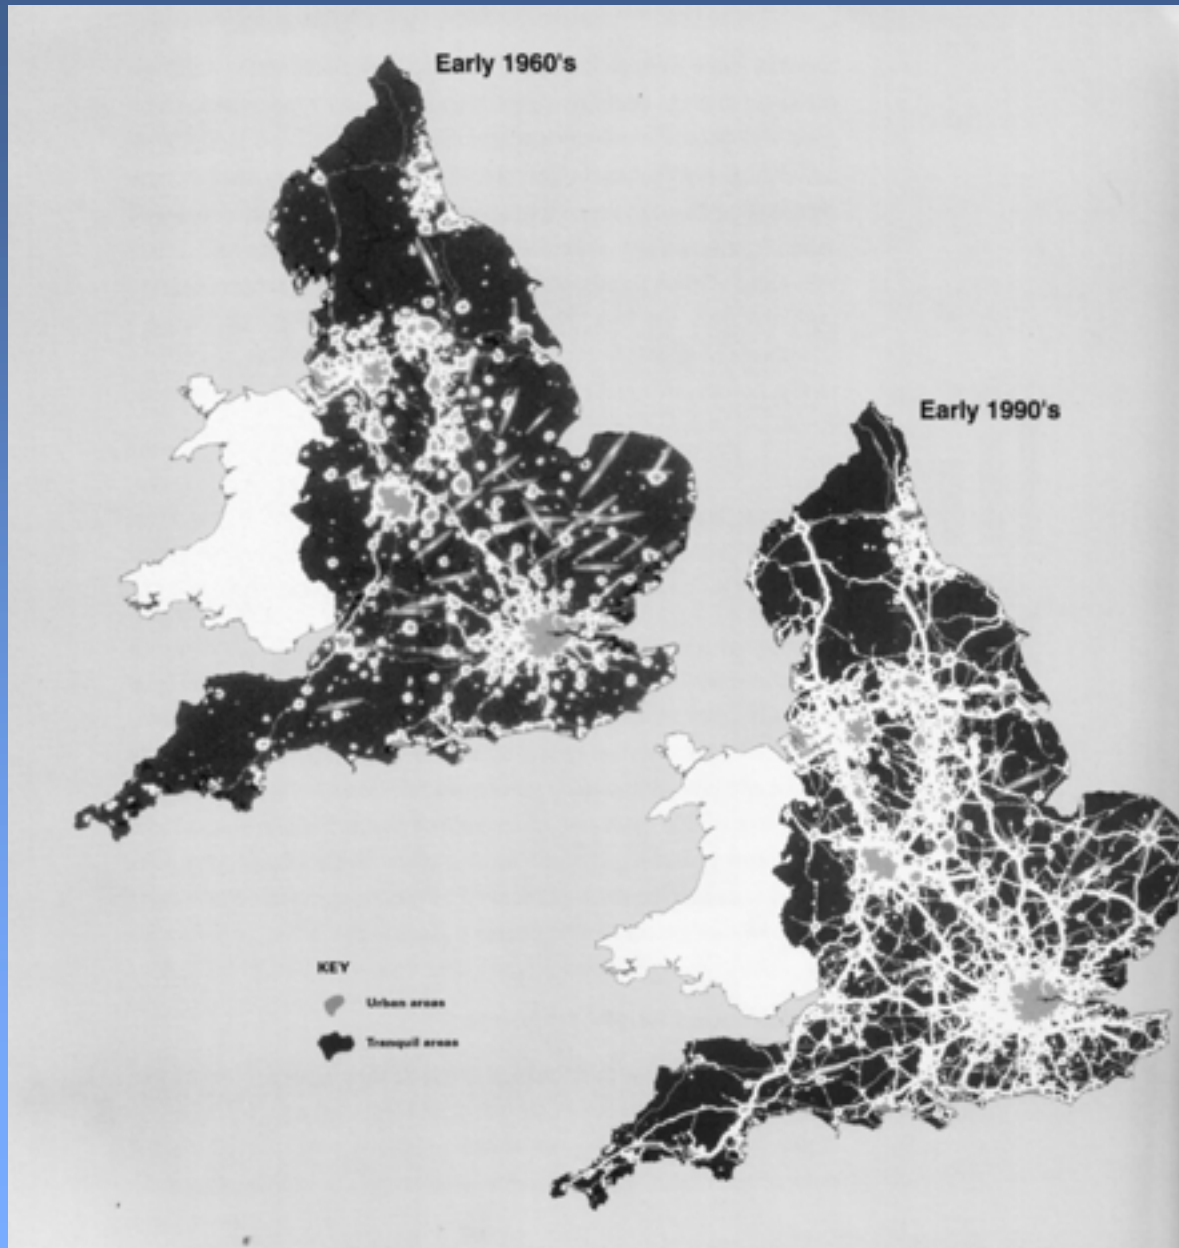

A Commission examining
the country's development
needs and priorities

Meadow Way, Letchworth Garden City, England

The Need for a National Development Perspective

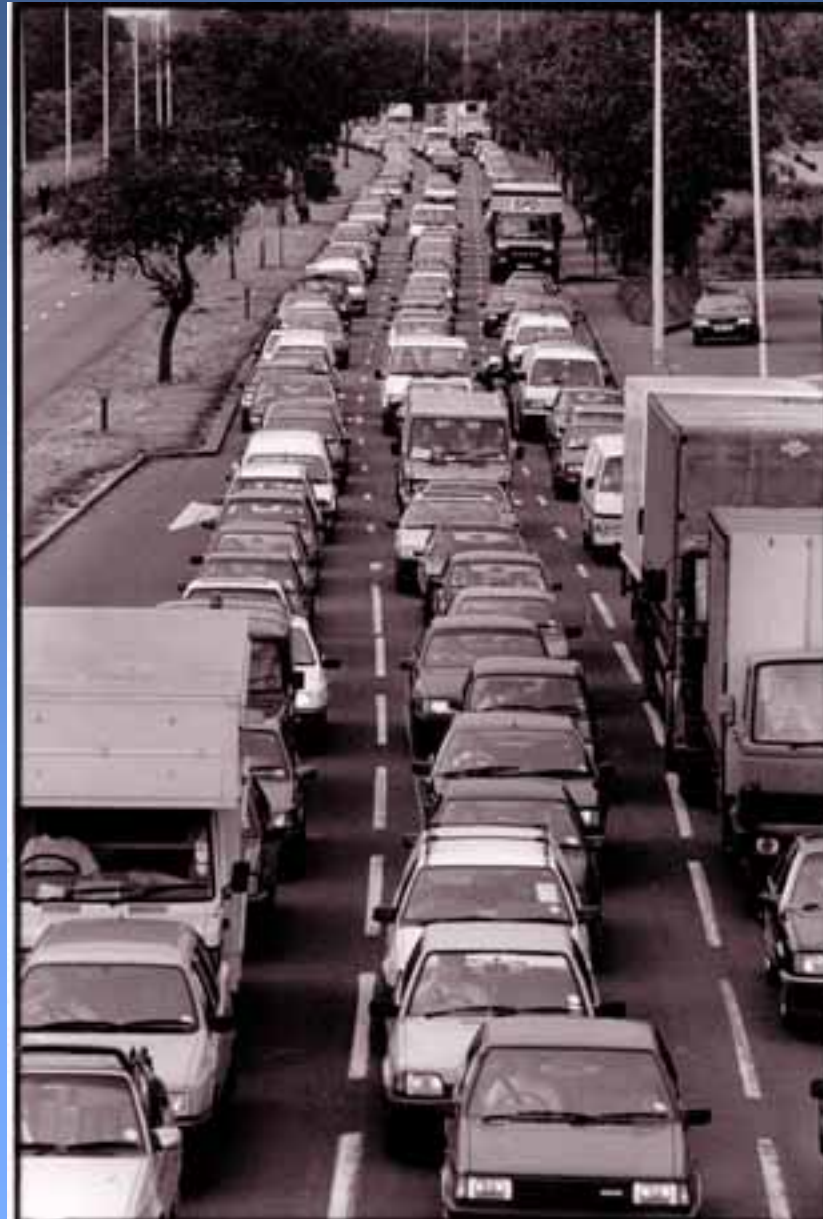

- Co-ordinating improvements to national infrastructure
- Rationalising a plethora of strategies
- Enhancing regional development
- Providing a vision
- Tackling cross-boundary issues

Cities for a Small
Country, Anne Power &
Richard Rogers (2000)

Key questions

- what should a strategy include?
- how should existing strategies be joined up?
- what development is needed at the national level to ensure each region develops successfully and sustainably?

Late afternoon weekday traffic on the M40 at Hillingdon, London

The TCPA Commission

- The Commissioners
- Topics for discussion
- Evidence gathering
- European and International Perspective
